INFORMATION DISCLOSURE STATEMENT

Honorable Commissioner for  
Patents and Trademarks  
Washington, D.C. 20231

Sir:

Applicant having timely submitted his previous disclosure, hereby submits this supplemental disclosure to disclose information that came to the attention of his attorney within the last 10 days.

It was part of the prior art to have an outgoing envelope including a return envelope and a billing statement; the billing statement having a tear line that enabled the statement to be easily torn in two pieces. Each piece had information printed on it.

Respectfully submitted,

William D. Hall
